## DESCRIPTION:

Remove and replace navigational lights, including the conduit, connections, electrical wiring, fittings, photo cell, weather head, and junction boxes, for operating the navigational light system. Replace service pole. For this project the Contractor is required to have specific expertise and experience in bridge navigational lighting. In order for the Contractor to be responsive, the following must be provided to the District Contract Administrator with the bid: (a) Projects history and references for all project personnel. Project Personnel shall have minimum of two bridge navigational lighting projects. Experience shall be specific to the design and installation of bridge navigational lighting systems (b) At least one employee shall be a licensed master electrician in the State of Florida and have a minimum of two bridge navigational lighting jobs as prior experience. A MANDATORY PREBID CONFERENCE will be held at Jacksonville Bridge Training Trailer, 5729 Grace Lane, Jacksonville, FL on March 3, 2009 at 1:00 p.m. LUMP SUM.
